

- **Few Examples of few Best Practices taken by P.R.M. Govt. College**

Report on the First Friendly Meeting between Principal, Teaching and Non-Teaching Staff, and Newly Admitted Students at Nayagram P.R.M. Govt. College

Every year the first friendly meeting between the Principal/O-I-C, teaching and non-teaching staffs, and newly admitted students of Nayagram P.R.M. Govt. College has been held before commencement of newly admitted students' classes in every academic year. The event aimed to welcome the new students, familiarize them with the college environment, and foster a sense of community and belonging.

The meeting has usually commenced with a warm welcome address by the Principal/O-I-C. The Principal expressed joy in seeing the new students and emphasized the importance of this meeting in building a strong foundation for their academic journey.

Each member of the teaching and non-teaching staffs have introduced themselves, sharing their roles and responsibilities within the college. This helped the students become acquainted with the individuals who would be guiding and supporting them throughout their time at Nayagram P.R.M. Govt. College.

Principal/O-I-C has provided an overview of the college's facilities and resources, including the library, laboratories, sports facilities, and student support services. He highlighted how these resources would aid in the students' academic and personal development.

An interactive session has followed, where students were encouraged to ask questions and share their thoughts. The staff addressed various queries related to academics, extracurricular activities, and campus life. This session helped clarify doubts and provided valuable insights to the new students.

Report on Syllabus Discussion Meeting by Each of the Eleven Departments of Nayagram P.R.M. Govt. College

Inbeginning of every academic session Nayagram P.R.M. Govt. College has conducted a series of syllabus discussion meetings across its eleven departments. The purpose of these meetings is to review, discuss upcoming academic session, ensuring that it aligns with the latest educational standards and fulfils the learning objectives of the students.

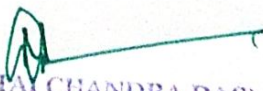

Departments Involved

1. Department of English
2. Department of Bengali
3. Department of History
4. Department of Political Science
5. Department of Philosophy
6. Department of Physical Education
7. Department of Geography
8. Department of Mathematics
9. Department of Sanskrit
10. Department of Santali
11. Department of Sociology

Discussion Points:

- Review of current syllabus and incorporation of contemporary literary works.
- Emphasis on enhancing language skills and critical thinking.
- Introduction of courses on international relations and public policy.
- Development of analytical and argumentative skills.
- Enhancement of fieldwork and laboratory research skills.

Report on the Celebration of Various Commemorative Days at Nayagram P.R.M. Govt. College

Nayagram P.R.M. Govt. College actively celebrates various commemorative days each year to honor significant historical events, cultural heritage, and promote awareness on critical issues. These celebrations foster a sense of community, encourage student participation, and enhance the overall educational experience.

List of Few Commemorative Days Celebrated:

1. Republic Day (January 26)

○ Activities:

- Flag hoisting ceremony by the Principal.
- Patriotic songs and speeches by students and faculty.
- Cultural performances and quiz competitions on Indian history.

2. International Women's Day (March 8)

○ Activities:

- Seminars and workshops on women's rights and gender equality.
- Guest lectures by prominent women leaders and activists.
- Art and essay competitions highlighting women's achievements.

3. World Environment Day (June 5)

○ Activities:

- Tree plantation drives and campus clean-up activities.
- Awareness programs on environmental conservation and sustainability.
- Exhibitions and poster competitions on environmental issues.

4. Independence Day (August 15)

○ Activities:

- Flag hoisting and national anthem singing.
- Speeches by faculty and students on the significance of independence.
- Cultural programs, including dance, drama, and music performances.

5. Teachers' Day (September 5)

○ Activities:

- Felicitation of teachers with awards and certificates.
- Student performances dedicated to their teachers.
- Interactive sessions where students express gratitude and share experiences.

6. Gandhi Jayanti (October 2)

○ Activities:

- Prayer meetings and homage to Mahatma Gandhi.
- Discussions and debates on Gandhi's principles and their relevance today.
- Screening of documentaries and films on Gandhi's life.

7. World AIDS Day (December 1)

○ Activities:

- Awareness campaigns and seminars on HIV/AIDS prevention and treatment.
- Distribution of informational brochures and red ribbons.
- Interactive sessions with healthcare professionals and HIV-positive individuals.

8. International Yoga Day (June 21)

○ Activities:

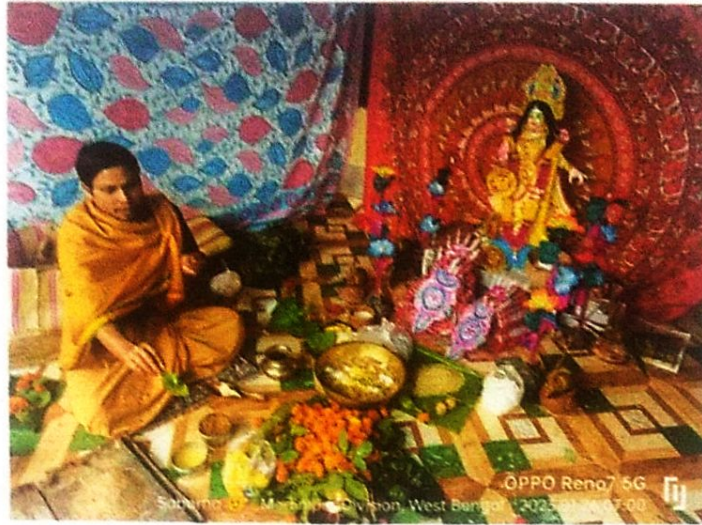

- Yoga sessions and demonstrations led by trained instructors.
- Workshops on the benefits of yoga and mindfulness practices.
- Competitions and performances showcasing yoga postures and routines.

We also celebrate birthdays of celebrities and other socio-cultural significant days.

Sustainability Initiatives and Environmental Awareness at Nayagram P.R.M. Govt. College

Nayagram P.R.M. Govt. College has undertaken several commendable steps to promote sustainability, environmental awareness, and greenery. Below are some of the notable initiatives:

1. Green Campus Initiative

- **Tree Plantation Drives:** Regular tree plantation drives are organized to enhance the greenery on the campus. These drives involve students, faculty, and staff, fostering a sense of responsibility towards nature.
- **Gardens and Green Spaces:** The college maintains well-kept gardens and green spaces, creating a serene and eco-friendly environment. These areas serve as spots for relaxation and study, promoting a connection with nature.

2. Waste Management Programs

- **Segregation and Recycling:** The college has implemented waste segregation practices to ensure that recyclable materials are properly sorted and processed. Recycling bins are strategically placed around the campus.
- **Composting Units:** Organic waste from the college's canteen and gardens is collected and processed in composting units, producing compost that is used for gardening purposes.

3. Water Conservation Efforts

- **Rainwater Harvesting:** Systems for rainwater harvesting have been installed to collect and utilize rainwater for various non-potable uses, such as gardening and cleaning.
- **Awareness Campaigns:** Workshops and seminars are conducted to educate the college community about the importance of water conservation and practical ways to reduce water usage.

4. Energy Conservation Measures

- **Solar Panels:** The college has installed solar panels to harness renewable energy, reducing its reliance on conventional power sources and lowering its carbon footprint.
- **Energy-Efficient Lighting:** Energy-efficient LED lights have replaced conventional lighting systems in classrooms, offices, and common areas to reduce electricity consumption.

5. Environmental Education and Outreach

- **Workshops and Seminars:** Regular workshops and seminars on environmental issues are conducted to raise awareness among students and staff. Topics include climate change, biodiversity, and sustainable living practices.
- **Eco-Clubs:** The college has established eco-clubs that engage students in various environmental activities, such as clean-up drives, awareness campaigns, and eco-friendly projects.

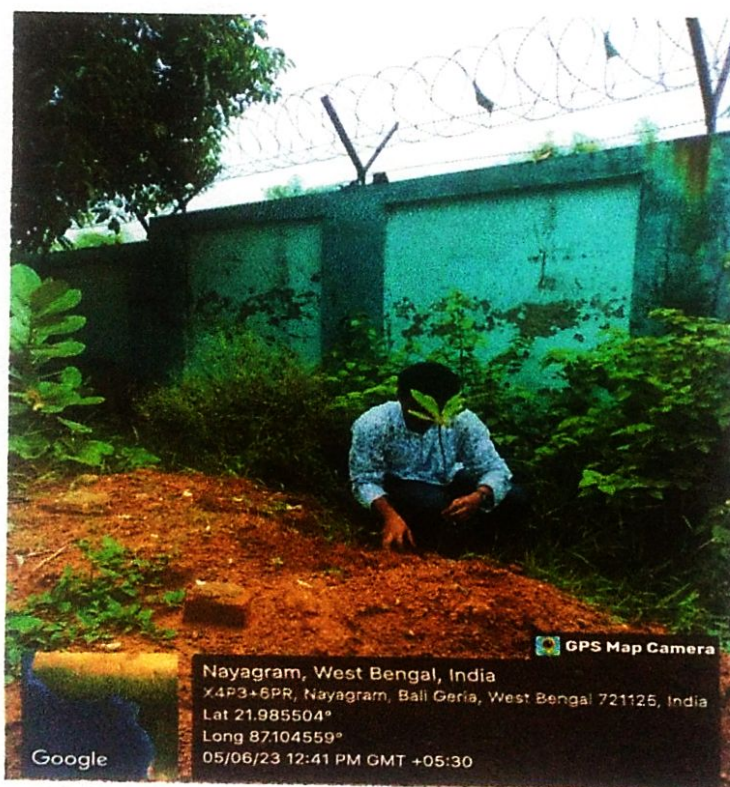

6. Research and Projects

- **Sustainability Research:** The college encourages research projects focused on sustainability and environmental conservation. Students and faculty are supported in conducting studies that contribute to a better understanding of environmental issues.
- **Collaborations:** Partnerships with local environmental organizations and governmental bodies are fostered to work on joint projects and initiatives aimed at environmental conservation.

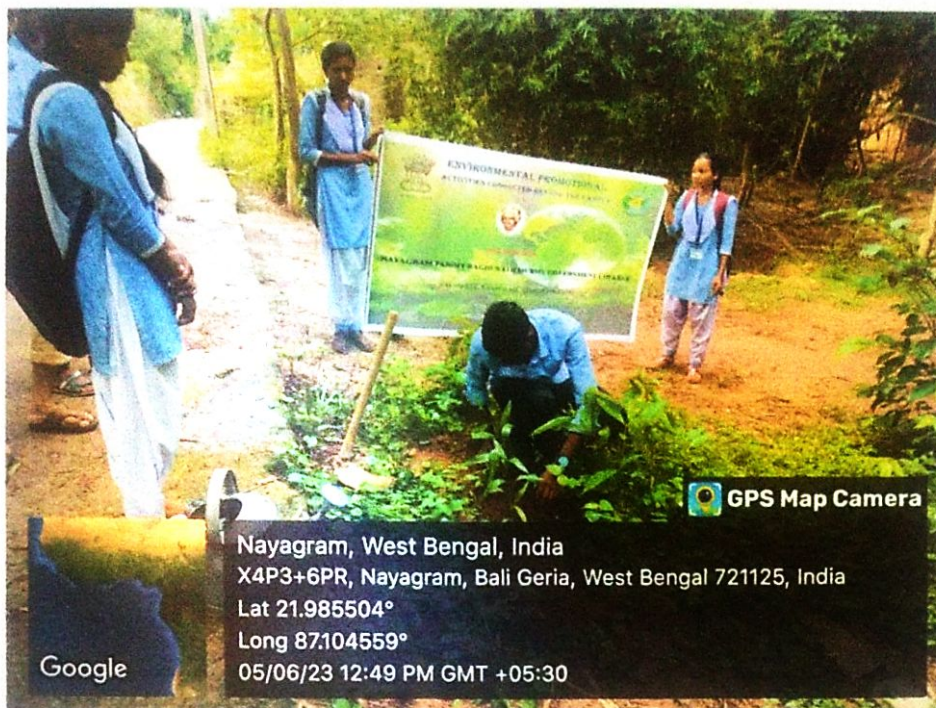

7. Community Involvement

- **Outreach Programs:** The college extends its sustainability efforts to the local community through outreach programs. These programs include educational sessions on sustainable practices and the distribution of saplings for tree planting.
- **Local Clean-Up Drives:** Collaborating with local communities, the college organizes clean-up drives in surrounding areas to promote cleanliness and environmental stewardship.

Report on World Environment Day Celebrations at Nayagram Pandit Raghunath Murmu Government College

Date: June 5, 2019

Venue: Nayagram Pandit Raghunath Murmu Government College Campus

Introduction:

Nayagram Pandit Raghunath Murmu Government College celebrated World Environment Day with a series of events and activities aimed at raising awareness about environmental conservation and promoting sustainable practices. The theme for this year's observance, "Ecosystem Restoration," emphasized the importance of reviving damaged ecosystems and encouraged participants to take actionable steps toward a healthier planet.

Event Highlights:

1. *Inauguration Ceremony:*

The event kicked off with an inauguration ceremony where the Principal addressed the audience, emphasizing the college's commitment to environmental sustainability. The ceremony featured a ceremonial tree-planting activity, symbolizing a collective commitment to restoring and protecting natural ecosystems.

2. *Guest Speakers and Panel Discussions:*

The college invited environmental experts, researchers, and activists to share their insights on pressing environmental issues. Topics covered included climate change, deforestation, water conservation, and sustainable agriculture. A panel discussion titled "The Role of Youth in Ecosystem Restoration" engaged students in a dialogue about their potential contributions to environmental conservation.

3. *Campus Clean-Up Drive:*

A significant activity was the campus clean-up drive, which saw enthusiastic participation from students, faculty, and staff. The drive focused on collecting waste, segregating recyclables, and disposing of non-recyclables properly. The activity served as a practical demonstration of the importance of waste management and maintaining a clean environment.

4. *Creative Competitions:*

The college organized competitions such as poster-making, essay writing, and photography, centered on the theme of ecosystem restoration. These competitions provided a platform for students to express their views and creativity on environmental topics. The best entries were displayed in an exhibition on campus.

5. *Award Ceremony and Closing Remarks:*

The celebrations concluded with an award ceremony where students and participants were recognized for their contributions to the day's activities. The Principal delivered closing remarks, reiterating the importance of continued efforts toward environmental sustainability and encouraging students to become ambassadors of change.

Conclusion:

World Environment Day at Nayagram Pandit Raghunath Murmu Government College was a successful event, engaging the college community in meaningful discussions and actions toward environmental conservation. The activities highlighted the urgent need for ecosystem restoration and inspired participants to adopt more sustainable lifestyles.

Report on World Environment Day Observance at Nayagram Pandit Raghunath Murmu Government College

Date: June 5, 2022

Venue: Nayagram Pandit Raghunath Murmu Government College

Introduction:

Nayagram Pandit Raghunath Murmu Government College observed World Environment Day with a series of events focused on raising awareness about environmental issues and encouraging sustainable practices among students, faculty, and the local community. The theme for this year's celebration, "Restoring Our Earth," emphasized the need for collective action in restoring ecosystems and mitigating the impacts of environmental degradation.

Event Highlights:

1. Opening Ceremony:

The event commenced with an opening ceremony, during which the OIC delivered a keynote speech on the significance of World Environment Day and the college's commitment to environmental sustainability. The ceremony included the symbolic planting of trees on the campus grounds, with students and faculty participating enthusiastically.

2. Talks and Lectures:

The college hosted a series of talks by faculty members who discussed critical issues such as climate change, biodiversity loss, and sustainable living practices. The sessions provided insights into global and local environmental challenges and highlighted actionable solutions that individuals and communities can adopt.

4. Green Campus Initiative:

As part of the celebrations, the college launched the "Green Campus Initiative," focusing on creating a more sustainable campus environment. The initiative includes plans for waste segregation, energy conservation, and the promotion of organic gardening within the campus premises.

5. Debate and Quiz Competitions:

The college organized debate and quiz competitions focusing on environmental issues, encouraging students to engage in critical thinking and knowledge sharing. The topics covered ranged from the impact of deforestation to the role of technology in promoting sustainability.

Conclusion:

The observance of World Environment Day at Nayagram Pandit Raghunath Murmu Government College was a success, fostering greater awareness and commitment towards environmental conservation. The activities and discussions highlighted the critical need for collective action in addressing environmental challenges and promoted a culture of sustainability within the college community.
