Report on Career Counselling Programme (Session 2018-19)

Nayagram Pandit Raghunath Murmu Govt. College along with its Internal Quality Assurance Cell organised a session on Career Counselling Programme for the interested students on 26.09.2018 in PRM hall. Dr. Tarak Jana (Dept. of Sanskrit) enlightened the students on the use of vocational training. Vocational training is a type of career preparation that focuses on highly technical, hand-on jobs. It is a great option for those who are in a need of supporting oneself and one's family members.

Dr. Jana emphasized on the use of vocational training in today's world where professional skills count much for a lucrative career. He made the point that vocational training can provide stable career growth at a low cost, and is of course a great choice if someone is interested in some specific profession. He highlighted on the areas where vocational training is available at a low cost.

It was an interactive session where the resource person made a friendly approach towards the students and asked many of them about their field of interest. Then he advised the students on different institutes where training related to their particular area of interest is available. The session was chaired by the Officer-in-Charge, and other members present were Prof. Sukumar Sahoo, Prof. Sohini Kundu, Prof. Prodyot Ghara and Prof. Shyam Sundar Mandal. The students seemed to have thoroughly enjoyed this engaging session and they came up with their questions and doubts. The session came to an end with a hearty vote of thanks.

REPORT ON CAREER COUNSELING (SESSION 2019-20)

‘A Successful career will no longer be about promotion. It will be about master.’

Nayagram Pandit Raghunath Murmu Govt. College along with its Internal Quality Assurance Cell organised a session on Career Counselling Programme for the interested students on 30.08.2019 in PRM hall. Prof. Prodyot Ghara (Dept. of Mathematics) enlightened the students on the scope of distance education. The motive of the programme was to motivate the students who are mostly first generation learners, and stay far away from centres of further higher education, to carry on with further education after graduation. As the college is the second home to those students who are mostly from financially and socially backward class, the institution strives to inform the students about such avenues of carrying on further education that would be pocket-friendly.

The session started with an welcome address by the Officer-in-Charge of the college. About 150 students had registered themselves for this session. They engaged in an interactive session with the resource person, and they came up with their questions and doubts, which the resource person addressed in an impressive way. Other teachers present in the session were Prof. Shyam Sundar Mandal (Dept. of History), Prof. Sukumar Sahoo (Dept. of Philosophy) and Prof. Sohini Kundu (Dept. of sociology). Overall it was an enriching and satisfying session.

Report on Career Counselling programme (Session – 2021-22)

An online session of one day Career Counselling Programme was organised by Nayagram Pandit Raghunath Murmu Govt. College in collaboration with the IQAC, on 06.01.2022. The session was aimed to guide students about career options and time management. The resource persons for the session were Dr. Swapan Kr. Maity (Dept. of Geography) and Dr. Khokan Barman (Dept. of Bengali) advised the students on different aspects of advancement in life.

Dr. Swapan Kr. Maity identified the fact that in the ongoing COVID situation use of mobile phones has become a necessity rather than a luxury. But he also appreciated the fact that overdependence on mobile phones could eventually lead to addiction and wastage of valuable time of students. So he stressed on the ways in which mobile phones and internet can be used only for one's progress in career, and not to make it indispensable for survival. He urged the students to focus on hard work, innovation, collaboration and smart work.

Dr. Khokan Barman suggested rightly that mobile phone addiction can be channelised to an addiction with novels and fictions. Being a faculty member from Bengali dept, he named some books from different eras of literature that would help the students understand varied aspects of society, including social problems. Overall the session went very well with active student participation and ended with an oral feedback session from the students. It is hoped that this seminar will assist students in overcoming common challenges like addiction of mobile phones and social media, improper schedule, controlling emotional pressure, etc, which hold them back from realizing their true potentials and requirements.
