## 1. Objectives, Scope, and Major Activities

Both institutions agree to encourage the development of the following types of activities:

- Visits and formal exchanges of faculty, scholars and administrators in specific areas of education, research and outreach.
- Cooperate in Under Graduate education and training through library as well as laboratory resources.
- Organize joint conferences, webinar, symposia, or other scientific meetings on subjects of mutual interest.
- Exchange of academic information and materials.
- Pursue avenues for under graduate students exchange during the academic year.
- Explore the possibilities for developing joint research programs and collaborations.

## 2. Responsibilities of the Institutions

The two institutions identify that the execution of any agreed upon activity will depend upon the interests and expertise of the individuals involved and the availability of financial resources, space and other resources. Accordingly, the functioning of any exchange and cooperative programs based on this MoU shall be conferred and determined between the two institutions. It is further expected that both the institutions will be compliant with all applicable legislations of Government of India and State and University policies.

## 3. Duration and Option to Amend, Extend or Terminate

This MoU will become effective when signed by authorities of both institutions. The agreement will remain in effect for **two** years from the date of signature given below, and may be renewed or amended by mutual agreement of the institutions. ### 1. Objectives, Scope, and Major Activities

Both institutions agree to encourage the development of the following types of activities:

- Visits and formal exchanges of faculty, scholars and administrators in specific areas of education, research and outreach.
- Cooperate in Under Graduate education and training through library as well as laboratory resources.
- Organize joint conferences, webinar, symposia, or other scientific meetings on subjects of mutual interest.
- Exchange of academic information and materials.
- Pursue avenues for under graduate students exchange during the academic year.
- Explore the possibilities for developing joint research programs and collaborations.

### 2. Responsibilities of the Institutions

The two institutions identify that the execution of any agreed upon activity will depend upon the interests and expertise of the individuals involved and the availability of financial resources, space and other resources. Accordingly, the functioning of any exchange and cooperative programs based on this MoU shall be conferred and determined between the two institutions. It is further expected that both the institutions will be compliant with all applicable legislations of Government of India and State and University policies.

### 3. Duration and Option to Amend, Extend or Terminate

This MoU will become effective when signed by authorities of both institutions. The agreement will remain in effect for **five** years from the date of signature given below, and may be renewed or amended by mutual agreement of the institutions. The institutions should agree to periodically review the activities undertaken and the progress made and to consult concerning amendments, renewal or termination of this MoU. Either authority may terminate this MoU at any time by providing written notice prior to three months before such termination to the other authority.

### 4. General Terms

This MoU is not intended to, and does not create any right, benefit, or trust responsibility, substantive or procedural, enforceable by law or equity, by either party, its officers, employees, or agents against the other party, its officers, employees, or agents. Nothing in this MoU obligates either party to commit or transfer any funds, assets, or other resources in support of projects or activities between the two parties. Neither party will use the name of the other, either expressly or by implication, in any publicity, solicitation or advertisement without the express written approval of the other party to this MoU.

## MEMORANDUM OF UNDERSTANDING

### BETWEEN

**Nayagram Pandit Raghunath Murmu Government College**, a reputed academic higher education institution, established in 2014, located at **Baligeria, Nayagram, Jhargram, West Bengal, India, PIN-721125** as the **FIRST PARTY**.

### AND

**Rishi Aurobindo Institute of Teacher Education**, a reputed academic higher education institution, established in 2015, located at **Panchkhuri P.O.: Panchkhuri, Dist.: Paschim Medinipur, Pin: 721150, West Bengal**, as the **SECOND PARTY**.

Both the parties herein have noted the importance the value of cooperation and have agreed to enter into this Memorandum of Understanding (MoU) regarding academic collaboration. The purpose of this non-binding MoU is to make possible academic and cultural exchange between both the parties based on the principles of mutual equality and the reciprocity of benefits. NOW THIS MEMORANDUM OF UNDERSTANDING is agreed by and between both the colleges hereto as follows:

### 1. Objectives, Scope, and Major Activities

Both institutions agree to encourage the development of the following types of activities:

- Visits and formal exchanges of faculty, scholars and administrators in specific areas of education, research and outreach.
- Cooperate in Under Graduate education and training through library as well as laboratory resources.
- Organize joint conferences, webinar, symposia, or other scientific meetings on subjects of mutual interest.
- Exchange of academic information and materials.
- Pursue avenues for under graduate students exchange during the academic year.
- Explore the possibilities for developing joint research programs and collaborations.

### 2. Responsibilities of the Institutions

The two institutions identify that the execution of any agreed upon activity will depend upon the interests and expertise of the individuals involved and the availability of financial resources, space and other resources. Accordingly, the functioning of any exchange and cooperative programs based on this MoU shall be conferred and determined between the two institutions. It is further expected that both the institutions will be compliant with all applicable legislations of Government of India and State and University policies.

### 3. Duration and Option to Amend, Extend or Terminate

This MoU will become effective when signed by authorities of both institutions. The agreement will remain in effect for **two** years from the date of signature given below, and may be renewed or amended by mutual agreement of the institutions. The institutions should agree to periodically review the activities undertaken and the progress made and to consult concerning amendments, renewal or termination of this MoU. Either authority may terminate this MoU at any time by providing written notice prior to three months before such termination to the other authority.

### 4. General Terms

This MoU is not intended to, and does not create any right, benefit, or trust responsibility, substantive or procedural, enforceable by law or equity, by either party, its officers, employees, or agents against the other party, its officers, employees, or agents. Nothing in this MoU obligates either party to commit or transfer any funds, assets, or other resources in support of projects or activities between the two parties. Neither party will use the name of the other, either expressly or by implication, in any publicity, solicitation or advertisement without the express written approval of the other party to this MoU.

## 1. Objectives, Scope, and Major Activities

Both institutions agree to encourage the development of the following types of activities:

- Visits and formal exchanges of faculty, scholars and administrators in specific areas of education, research and outreach.
- Cooperate in Under Graduate education and training through library as well as laboratory resources.
- Organize joint conferences, webinar, symposia, or other scientific meetings on subjects of mutual interest.
- Exchange of academic information and materials.
- Pursue avenues for under graduate student exchange during the academic year.
- Explore the possibilities for developing joint research programs and collaborations.

## 2. Responsibilities of the Institutions

The two institutions identify that the execution of any agreed upon activity will depend upon the interests and expertise of the individuals involved and the availability of financial resources, space and other resources. Accordingly, the functioning of any exchange and cooperative programs based on this MoU shall be conferred and determined between the two institutions. It is further expected that both the institutions will be compliant with all applicable legislations of Government of India and State and University policies.

## 3. Duration and Option to Amend, Extend or Terminate

This MoU will become effective when signed by authorities of both institutions. The agreement will remain in effect for **five** years from the date of signature given below, and may be renewed or amended by mutual agreement of the institutions. The institutions should agree to periodically review the activities undertaken and the progress made and to consult concerning amendments, renewal or termination of this MoU. Either authority may terminate this MoU at any time by providing written notice prior to three months before such termination to the other authority.

## 4. General Terms

This MoU is not intended to, and does not create any right, benefit, or trust responsibility, substantive or procedural, enforceable by law or equity, by either party, its officers, employees, or agents against the other party, its officers, employees, or agents. Nothing in this MoU obligates either party to commit or transfer any funds, assets, or other resources in support of projects or activities between the two parties. Neither party will use the name of the other, either expressly or by implication, in any publicity, solicitation or advertisement without the express written approval of the other party to this MoU.
