STUDY MATERIAL OF FIRST LEVEL

1. Varnamala

This helps to learn Devnagari script.

2. The Main book : Vakyavyavaharah

This book is designed as a distinct one from the point of view of its style, the number of exercises attached to every lesson, gradation of language components and also points of attention. This is the main book of the first level. It is designed to teach Samskrit through Samskrit from the beginning with the help of pictures, diagrams and exercises. It is totally written in a communicative style.

3. Supplementary Reading Material : Vakyavistarrah

While points of teaching introduced and thought on the basis of single and unconnected sentences in the main book, an attempt is made in this book to use the same points of teaching in narrative sentences with appropriate linkages. The students are given the advantage of additional vocabulary in this book.

While Vakyavistarrah is supplementary reading material in the form of narration this is in the form of communicative dialogue pertaining to various episodes of day to day life. This is designed to impress the students with natural expression and also to improve their communicative skills. The advantage of introducing some new vocabulary is significant feature of this book.

INSTRUCTIONS :

The attention of the students is drawn to the following important factors:-

- Serious and concentrated attention may be given to every exercise that is given in Vakyavyavahara and Vakyavistara. You are required to answer all the exercises on your own without taking the help of key. You may better use pencil in filling the blanks. You may compare your answers with the key provided and make self assessment. After consulting the key you may do the exercises once again on your own without referring the key.
- We feel that the package of this first level material would encourage the lovers of Samskrit and those who are interested in Samskrit. The present material is the outcome of serious thinking and strenuous working. However, its utility and compatibility is to be judged by the user-students. We welcome your suggestions to improve the design, content and write ups in our future editions. "Until the wise are satisfied (with it), I do not consider my knowledge and skills to be perfect. The heart of men although well instructed, has no confidence in itself." (Kalidasa)
